Character, Scholarship, Leadership, and Service form the basis of requirements and ideals for members of the National Honor Society. The local organization, which received its charter four years ago, upholds these four national interests. Three successful initiations, interesting meetings, and an assembly devoted to the clue, were on the year's list of activities. For competent leadership the club looks to Miss Gertrude Maxwell, the advisor.

This year, at last, one hundred dollars was raised to help a worthy Senior girl attend college. Two one-act plays were presented; a Mother's Day program; and also an all school frolic. But more than the actual things which the Federation does is the spirit of cooperation and friendship which it creates among thegirls. Miss Gossman, dean of girls has shown a spirit of helpfulness in everything attempted by the Federation.

The Wa-Hi Journal is the newest and perhaps the greatest of Wa-Hi's activities. School news, school pep, and school interest are to a great extent dependent upon the results of the work of the members of the Journal Staff. To the Staff belongs a great deal of credit but it is Miss Laura Boucher's unending spirit and loyalty which have carried the Journal through the danger spots of its first year's existence.

The purposes of the Officers' Club are to encourage military research, discuss common problems, benefit the unit, and to have a good time together socially. The club dances were successful from every standpoint and proved to be prominent social events of the year. Interest in meetings was increased by talks given by Colonel Holmes about his experiences in Belgium, Germany, and Russia. Colonel Holmes has proved an efficient advisor, whose excellent counsel has helped to place the Officer's Club in its present high standing.

A number of interesting educational meetings have been held during the year.

With the cooperation of the Commercial department, the O. G. A. sponsored a play "Fifty-Fifty."

In all the enterprises undertaken by the O. G. A.'s much credit is due Miss Alber, the advisor.

The Art Club has done its utmost in furthering art in Wa-Hi during the two years of its existence. The art exhibit brought here and sponsored by the organization was quite a success and although the Art Club was unsuccessful in its attempt to establish an art course in Wa-Hi this year it hopes to do so in the near future. The club owes much gratitude to Miss Iva Peterson for her valuable aid in all its work.

The Tillicum Campfire is very proud of its high scholastic standing, an average of 88 per cent being required to take part in the activities of the group. The girls have worked hard to attain the necessary grade and the number accomplishing it has been very gratifying. At Christmas time the group provided a donation of food to a needy family and sang its usual carols on the streets. The group owes much to its guardian, Miss Katherine Blynn, who is a pioneer in campfire development.

The success is due largely to the conscientious help of the guardian, Miss Hoel, and her assistant, Miss Kauffman.

Mr. Damon, the coach, deserves a great deal of credit for the team's work. He came to Wa-Hi a stranger, took over debate and prepared the team for league debating within a few months.

# Thrift

*Advisor*—Mr. C. A. Birline

There are so many admirable qualities of character that are built upon thrift that every individual should cultivate the habit. It requires perseverance, self-denial and courage. It promotes industry and responsibility. It develops self-confidence and forethought. It encourages careful and wise spending.

With this array of truth on the side of thrift it would seem that no other argument would be necessary to prove its worth. The object of the Wa-Hi Banking System is to make it easy to save and to help every student become a conservative and dependable citizen by taking advantage of the opportunity to practice thrift during his high school days.

Although the goal that had been hoped to have been reached has not yet been attained, it is certain that the usual Wa-Hi spirit which has carried other activities successfully through will come to the aid of this, one of the most valuable organizations ever begun in Wa-Hi.

A class in sight singing was begun which now numbers fifty-two and which has shown such favorable progress that it will be a permanent course hereafter. Mrs. Tlliey also leads the singing in assembly, a new thing in Wa-Hi and one which is proving entertaining and profitable.

Intrumental music plays an important part in musical work at Wa-Hi. Among the many organizations maintained in this department is the Wa-Hi orchestra of twenty pieces. Rehearsals are held every Tuesday the seventh period, at which standard music is played. Membership in the Wa-Hi orchestra gives students an exceptional opportunity for experience in this line of work. One-half credit a semester is given. The orchestra now has five violins, four clarinets, two flutes, two trumpets, one saxophone, a sousaphone, drums and two pianists. These last are necessary to insure against absence. Music is furnished for commencement exercises, plays, assemblies, numerous school functions and community enterprises. The orchestra has proved to be a very useful organization.

## The Wa-Hi Pep Band

The "Pep" Band has lived up to its name in every sense of the word. It has been very well received at every appearance and its radio programs have been especially liked. It is a picked band whose purpose is to provide "pep" and entertainment.

## Brass Sextet

Another musical organization which has gained much favorable comment, is a Brass Sextet, composed of band members. It played in assembly, for the vaudeville, and for outside functions, and has received many more invitations to play than it could possibly have time for. It was spoken of very highly by the public.

The members are:—Trumpets: Verl Tetherow, Charles Glasspool; Alto: Gordon Ramp; Trombone: Emil Hansen; Euphonium: Aldric Wendler; Bass: Robert Church.

# Wa-Hi R. O. T. C. Band

The Wa-Hi R. O. T. C. Band under the direction of Hal C. Tilley has had a very successful year. Mr. Tilley, since the beginning of the band, nine years ago, has built up an R. O. T. C. Band with the reputation of being the best high school band in the Northwest. This year more time has been given to the military part of band training and the band, on parade, certainly shows it. The band has acquired a new Sousaphone and has it almost paid for with the proceeds of a vaudeville and band concert given by the band.

# Saxophone Band

This unique organization, which is the only one of its kind in the Northwest, has proved popular everywhere it has been heard. It has played often in assembly, over the radio, and at community affairs.

WA-HI R. O. T. C. UNIT RIFLE TEAM

The Wa-Hi R. O. T. C. had two unit rifle teams entered in the national indoor small bore competitions last year, one team of fifteen members in the National Intercollegiate Match, and one of five members in the Hearst National Match for junior units. They showed that in both eventts Wa-Hi's all-star teams stood near the top of the list and in fact came within one per cent of winning both events and outshooting all teams west of the Mississippi River.

Wa-Hi is fortunate in having two all-star teams again this year to represent it in the two National shoots above mentioned. In three special matches they defeated teams representing each of the following named institutions: Rockford Illinois High, Salt Lake, Utah, East High, and Ogden, Utah, High, each an "Honor High School" and the challenger. The intercollegiate team won first place in the Ninth Corps Area Intercollegiate Gallery Matches in which forty-five teams participated.

Wa-Hi's team not only defeated all other teams entered, but it made a team average of 97.32 per cent and piled up the highest score ever made in the Ninth Corps Match. The team's achievement moreover elicited a congratulatory telegram from Major General John L. Hines, commanding the Ninth Corps Area.

The principals on the unit intercollegiate team in order of standing are: Capt. George Seebeck, Second Lt. Henry Butherus, L. Cpl. John Eden, Capt. Albert Gruber, Capt. Myron Carley, Major John Kelly, Col. Sergt. Robert Lenfesty, First Sergt. Harold Banks, L. Cpl. Arthur Jaussaud and Col. Sergt. Douglas Staudenmaier. Alternates: L. Cpl. Rolla Reedy, Plat. Sergt. Vernon Underwoon, Second Lt. Laurel Baker, First Lt. William Ferguson and Cpl. Robert Aldrich. The five high men also constitute the unit Hearst Team.

## SIXTH ANNUAL GRAND MILITARY TOURNAMENT

The sixth annual grand military tournament of the Wa-Hi R. O. T. C., the climax and barometer of last year's practical instruction, was held on Ankeny Field, Whitman College campus, May 22, 1926, and was the most successful tournament yet staged by the unit. A battalion review opened the program with the Commandant and the heads of various veteran societies, service clubs, and other civic organizations in the reviewing stand. Army sports and exhibition drills by the different organizations of the unit, concert music by the R. O. T. C. band, all topped off with a thrilling sham battle and a most inspiring evening parade made up the afternoon's program. It was witnessed by a large, enthusiastic crowd of adult and student spectators, who were greatly impressed with the high standard maintained throughout the unit.

The unit was commanded by cadet Major Edward Unruh and the Battalion was under the command of cadet Captain (later Major) Walter S. McCauley during the exhibition battalion close order drill. The winners in the competition events in order of occurence were:

Squad wall scaling contest for the Lacey Trophy—Squad from Co. B, Leonard Schiffmaan commanding. Company close order drill for the Weyrauch Trophy—Co. C, Capt. Leland Archer, commanding. Platoon extended order drill for the Jones Trophy—1st Plat., Co. C, 1st Lt. Ralph Miller, Commanding. Platoon close order drill for the Kiwanis Trophy—2nd Plat., Co. C, 2nd Lt. John Kelly, commanding. Company shelter tent pitching contest for the Legion Trophy—Co. A, Capt. George Seebeck, commanding. Individual drill down for a gold stripe (open to all except officers)—Corporal Elbert Hunt.

The local press, without exception, contained highly laudatory accounts of the tournament in its news columns and characterized it as a big success. Moreover, the following editorial on the subject from the "Walla Walla Bulletin" is regarded as an important registration of public opinion in the community relation to the unit itself:

"The high school military tournament on Ankeny field Friday was a splendid exhibition of what can be done with the young, patriotic manhood of America. It must have given the general public a good idea of the character and of the practical side of the training pursued in a junior unit of the R. O. T. C. and the remarkable progress made during the past year. Col. Holmes is accomplishing wonders with the high school boys. One has only to see their straight shoulders, their quick response to orders, their general discipline and their respect for the flag and the institutions for which it stands, to appreciate the great value which this training is to the men of tomorrow."

Wa-Hi Track Squad

# Track

More interest was shown in Spring Athletics last spring than has ever been shown before. Approximately forty boys turned out regularly for track all season.

The track season started with the interclass meet. It was won by the juniors with 62 points, the seniors were next with 57, and the sophomores and freshmen trailing with 6 each.

Wa-Hi then had a track meet with the Whitman Frosh. The last year Wa-Hi had been beaten by 5 points so the Wa-Hi team was out for revenge. In the ensuing meet they managed to nose out the Frosh by 1 point. The final five points were garnered by the wonderful showing of the relay team. The final score was 66-65.

Coach Rich's proteges then entered the Sub-District meet and emerged in first place with a total of 62 points; Prescott, second, with 26; Starbuck, third, with 16, and Waitsburg a close fourth, with 15 points. Two Rivers took 3 points by winning secoond place in the mile.

Wa-Hi then attended the District Meet and came out second with 17 points. Pullman won with 32 points.

Three men went to the state meet for Wa-Hi but only one placed. Lenfesty got a fourth in the high hurdles.

The following boys received letters:—Bob Sherman, Leonard Schiffman, Desmond Long, Allen Sprout, Bud Applegate, Harry Ebding; Raymond Coble, Second award.

## DUMB DORAS ORGANIZED

### National Honor Society Has New Rival

A society, namely, the Dumbell and Dumbdora Society, which has been recently organized in Wa-Hi, threatens to ruin the popularity of the National Honor Society. Many prominent students have been voted into this society and there are hundreds waiting at the door. The committee,which was selected to pass on students, consists of the following: Rip Van Winkle, Paine Paul, Ward Rasmus and Walter Ball. The officers of this society at present are: President, Paul Peterson; Vice-President, Shirley Baker; Secretary, Gladys McLaughlin; and Treasurer, Dorothy Wentsch. The good work of this society is due to the help of their worthy advisor, Mr. Harrison Clark.

### Couple Held Up.

As they were coming home from the evening services of the Holy Rollers last night Elbert Roberts and Nettie Berreman were held up on the Marcus street bridge crossing Mill Creek. Several people have been held up during the last week. Mr. Roberts said that somehow he felt that this was going to happen as he was approaching the bridge and he was not disappointed. Nothing was taken from the couple, however, as they stood upon the bridge and leaned against the railing. Among those held up last week were Byron Dague and Iris Hoon, Bob Lenfesty and "Bugs" Rourke, and Dick Yenney and Ruth Casey.

### Mr. Clark's Height

Mr. Clark's feet are three times the length of his hand, his legs are as long as his head and body put together, his body is the length of his legs plus thrice his neck, his arms are three-fourths the length of his legs, his neck is twice the length of his hand, thus the rubberneck, and his head is 14-32 the length of his legs. Therefore, Mr. Clark's height is equal to six times the length of his hand plus his head, plus his body plus 2 3-16 times his legs, plus three times his neck.

Q. E. D.

## DANES COVERS BRIDGE

Gibson Danes, an eight credit art student of Wa-Hi finished painting the railing on the 5 mile bridge today. According to great painters in the U. S. it is said to be the finest painting of its kind in the world. Among his many works of art in Walla Walla are three barber poles which he painted last year. These are considered by some to be his best work. One with such talent should not stop at these small jobs, but should keep on and paint better and larger things.

### Flappers Prominent

A new club has been organized with the consent of Mr. Lacey with short skirts and bobbed hair.

This club includes Bernadine Rourke, Edna Lester, Ethel Sutton, Ruth Fulton, Margaret Hill and Virginia Holland.

We are hoping for bigger and better things from the club.

### Freshmen Have Tumble.

Jay Loneker, Bill Wright, Claire Archibald and Elma Hansen were severely injured in a recent accident. This paper sends the most heartfelt sympathies to the injured ones and hopes that we may see their bright and shining faces again soon.

The terrible accident occurred last Friday noon when the four fell down the dumbwaiter trying to get some butter from the Cafeteria. Jay received a bad cut on the left hand. Bill was deprived of his right toenail. Elma suffered a broken ankle, while as to Claire, the fall bruised her somewhat and sprained her otherwise.

### Robert Church Enters Air Service

We hear that Robert Church, an evoluting senior, is intending to enter the Air Service this summer, which definitely proves that students can come to Wa-Hi with horns and pointed tails and go out as angels.

Bob Sherman, '27, is now in the Barn and Hay Seed Circus. No, he is not in a cage, he is an acrobat.

## COW CATCHES KING

Eugene King had a strenuous adventure last Sunday when he was taking his best girl out for a ride in his new Ford. While crossing the railroad tracks on Isaacs Avenue on the road to Dixie a careless train ran into King's car. The Ford was not injured, but due to the shock Eugene was thrown out of the car onto the cowcatcher of the engine. He was carried clear to Pendleton before he could attract the attention of the engineer. We are sorry to say that although he was somewhat shaken up his injuries were slight. After his joy ride, he was given the alternative of staying at the Pendleton Hospital or riding back to Walla Walla on the next train. King chose the latter and arrived in our city around three A.M. There is nothing on record of what happened to the girl but we trust that she will be found soon.

### Yellow Slips Out.

Mr. Lacey Okey the following lists of yellow slip receivers yesterday:

| | |
|---|---|
| Mary Stirton | 6 |
| Margaret Stirton | 6 |
| Eva Peterson | 6 |
| Walter Ball | 5 |
| Betty Osterman | 4 |
| Bernice Becker | 4 |
| Leota Brixey | 3 |
| Melvin Kennedy | 3 |

The list of those receiving less than three is too lengthy to be printed, but it may be seen on the bulletin board any time between the hours of 8 A. M. and 5 P. M.

### Wolf Wins Debate.

The recent debate on the question is "Kissing a Lost Art" was finally decided in favor of the negative side held by Winston Allard, Donald Wolfe, and Rip Van Winkle. The losing team was composed of members of the Freshman class.

The debate was a close race between the two factions but was finally settled by a point made by Donald Wolfe, "In all my four years in High School I have found that kissing is a lost art."

Bob Melosh, '28, is running a chop suey parlor in Milton, now.

## EDITORIALS

Those who partake of their lunch in Study D please bestow a laurel upon our high school and rub all the orange juice, crumbs, and all other eatables upon the desk as much as possible.

Jelly is essential to give the desk a shining lustre, as if it had been recently polished, and those who visit will remark upon the shining desks. Then, too, those who use the desks the following period have the full benefit of a very dainty afternoon spread consisting of the left-overs of the noon-day lunch. The jelly also aids in holding theme paper to the desk while writing, thus making it convenient for the student. As it adds to the cleanliness and beauty of a paper, all teachers welcome these more than any other kind. Cake frosting may add to the iminaculacy of the pupils clothing, making dainty spots hither, and thither resembling minute spiders webs hanging in the material. Hearken to this call, O Yea diners of Study D, and scatter you food as widely as possible! Be a loyal supporter of Wa-Hi for once in your life! Obey the summons!

Students of Wa-Hi! Are we the girls of Wa-Hi and members of the board of control to be deprived of our daily nicotine by the atrocious actions of a few ruffians of the school, namely the Perry family, who believe that nicotine is detrimental to health and morals. Nay! Nay. fellow student let it never be so.

Hey Frosh! What are "sponges" good for? You don't have to be one, but how about using them—especially to get behind the ears with?

We see that the new "Nicotine Club" of Wa-Hi has taken the motto of "Every Boy in Wa-Hi". Go to it boys the girls are in front of you.

Freshmen! Kill off as many upper classmen as possible in the next mad rush for assembly. It will certainly be appreciated by the Student Body.

Compacts, eyebrow pencils, lipsticks, etc., have come into their own at Wa-Hi. Girls, if you haven't any now, get some at once.

## BRIEFS

"Down villian! Grrrrr! Ah-h you're dead," growled Mr. Damon leaning forward in a gesture of extreme anger, a black pointer in his hand with which he impaled Gladys McLaughlin, one of the masters of the art of "You are! **SPORTS**

Robert Lincoln, '30, sent congratulations to our champion noodle team after their winning. He is remembered as the star athlete of Wa-Hi, having won six letters in flag pole climbing.

**All Star Teams in Wa-Hi**

Coach Dimick with the able assistance of Mr. Lacey and the Student Court recently published the list of All-star football eleven as follows:

Captain and quarterback, Kenneth Robertson; left end, Donald Tetherow; right end, Paine Paul; center, Harrison Tellier; halfback, Jack Doolin; full backs, Lowell Yeend and Rene Loiseau and tackles, Laurel Baker and Arnold Stoller.

The all-star basketball team is as follows: Center, Harold Bower; guards, Emil Hansen and Percy Aldrich, and forwards, David Lehrer and Walter Morrison.

Both teams will be out for the all state championship next year and will probably do so. The basketball team will surely win the U. S. meet at Chicago if David Lehrer moves faster.

Both teams will be unimpaired by Bethel Goodman with Jessie Applegate as mascot.

**Faculty Accept New Positions**

The annual faculty spring football workout was held last night at the stadium field. Fifteen members of the faculty reported to Coach Paul Peterson, former star of Gig Harbor. Everybody wanted to play in the backfield, but due to careful manuevering by Coach Peterson a team was straightened out. Mr. Reed was given position as center, Mrs. Leonard and Miss Reed were appointed tackles on account of being so good in offensive work. Mr. Smith and Mr. Bireline were given guards. The end positions were given to Harry Clark and Mr. Damon for being able to run a person down. In the backfield Mr. Enlund and Mr. Bernier were given the positions of halfbacks, Mr. Melosh was given fullback and Miss Kirk quarterback.

It is believed that this team will be a credit to the faculty and especially to the school. A successful season is looked for.

Don Lutz—I'm a ladies man.

Benton Stafford—Who else thinks so?

The most noted people of Wa-Hi are always at least a half hour late to study halls. As the teachers approve of this plan and student government is wholly in favor of it, Mr. Lacey has decided to abolish study halls because they are not needed anyway.

Paul Peterson—I am the only black sheep in the family.

Don. Pullen—How's that?

P. P.—I smoke and run with women.

# Appreciation

*The 1927 Annual Staff owes a great amount of appreciation to those people who have given the utmost of their time and labor toward the success of the Royal Blue.*

*Much gratitude is due to Mr. H. D. Eggers of Eggers' Studio, who has taken an unusual interest in the Wa-Hi Annual. Through his kindness we have been able to have the beautiful scenic section heads, and the excellent photography which is shown throughout the book. The entire beauty of the annual is virtually due to Mr. Eggers.*

*To Mr. Fred S. Wiman of the Western Engraving and Colortype Company, Seattle, goes a great deal of credit for the success and beauty of the book. He has given his personal help, suggestions, and interest as freely as possible. He has taken the ideas of the staff and worked them into beautiful designs.*

*Mr. R. J. Gibbons and Mr. E. W. Lanier of the Inland Printing Company have also done their utmost in promoting the 1927 Royal Blue by their interest, helpfulness and care. These men not only get out a book, but they get out a book with a soul behind it.*

*To Wythel Hunt goes the staff's greatest appreciation for filling the book with inspiration by her poetic verses written to fit the section heads.*

*We also greatly value the support of the student body and the energies of the Journal which has made this issue possible.*
